

Town of Lunenburg Heritage Recognition Awards Program

Purpose:

To recognize property owners and developers for a “job well done” in outstanding restoration and/or rehabilitation work as well as well-designed infill developments that contribute positively to the streetscape. It is intended the Program recognize small as well as large projects and consider nominations from throughout the Town.

Recognition Categories:

The Heritage Advisory Committee will accept nominations or will nominate from information provided by the Town’s Heritage Manager that fall under the following categories:

- preserving or restoring the original character of a building;
- rehabilitating a building, including successfully integrating modern elements that contribute positively to the design of the original structure;
- successfully blending an addition and/or adaptive reuse of a building that contributes positively to the design of the original structure;
- new infill development that successfully blends into and contributes positively to the streetscape; and
- the long term preservation stewardship of a building.

Review:

Nominations will be reviewed by Staff and forwarded to the Heritage Advisory Committee (HAC) for consideration. The HAC will provide their recommendations for Council’s consideration. Upon considering the HAC’s review, Council will approve those nominations they deem appropriate.
